Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The IDS filed on December 19, 2007 and considered on 3/21/2008 inadvertently did not clearly indicate that all of the references, except those lined through previously (i.e., citations 21-25 and 30), have been considered by the examiner. A corrected copy of the PTO-1449 is attached.

/GARY BENZION/
Supervisory Patent Examiner, Art Unit 1637
